INTRODUCING THE REVOLUTIONARY **DD5**™

When we set out to create a .308/7.62mm rifle fit to wear the Daniel Defense name, we cleared the drawing board and created an entirely new evolution of the AR-10 platform. Packed full of innovative features that enhance comfort, durability and performance while still possessing the legendary handling and quality of our DDM4 carbines.

Visit [DanielDefense.com](http://DanielDefense.com) for all of the details, and see the new DD5 at your local Daniel Defense dealer.
